THE 1962 SPHINX

Volume XXI

Published by THE SENIOR CLASS

Petersburg Harris High School

Petersburg, Illinois

Foreword

Recalling pleasant memories of our colorfully exotic "Flower Drum Song" program at our Junior-Senior Prom, we have chosen the "Flower Drum Song" as the theme for our 1962 Sphinx.

We sing of The Miracle of Classes:

Initiation
Imagination
Enchantment
Graduation

The Miracle of Athletics:

Participation
Competition
Congratulation

The Miracle of Activities:

Socialization
Dramatization
Vocalization
Instrumentation

A hundred million miracles are happening
every day.
And those who say they don't
Are those who do not hear or see.
We know they do and keep them in our
memory.

MISS EDITH L. MASTERS

Miss Edith L. Masters, librarian of the Petersburg Harris High School and Unit District 201, has taught more generations of Harris High School students than any other one person. Her influence has made itself felt throughout the world. This fact can perhaps be emphasized more clearly by pointing out that since she has been at Harris High, more than 1,900 students have graduated from that school and have taken her teachings with them as they have gone out into the world. This year, 66 students have worked under her direction on the Library and Film Projectionist Staffs.

This picture was taken at her beautiful birthday party held on January 25, 1962.

Class History

The Miracle Of Graduation

"I am Going to Like it Here" was the cry that rang through the throngs of happy, smiling freshmen as they started their long walk up "Grant Avenue". To guide them through the many miracles of their freshman year, they chose Larry Beaty as president; Diane McGary as vice-president; Susan Hurley as secretary; and Dwight Brass as treasurer. Chosen to serve on the Student Council was Ruth Ann Lounsberry. The advisers for the sixty-nine freshmen were Mr. Worthington, Mr. Jones, Mr. Beveroth, and Mrs. Rebbe.

Sixty-six sophomores returned to continue their walk up "Grant Avenue". They chose to lead them: Larry Beaty, president; Judy Shawgo, vice-president; Diane McGary, secretary; and Ruth Ann Lounsberry, treasurer. Howard Tuttle and George Melton were chosen to serve on the Student Council. The sophomore sponsors were: Mrs. Peterson, Mr. McKee, and Mr. Garner. Under the direction of Mrs. Peterson, the sophomores presented the Sophomore Stunt, in which boys and girls alike proclaimed "I Enjoy Being a Girl". One highlight of the sophomore year was the Kuder Interest Test given to all the sophomores to determine their potentialities. The year ended with the sophomore party held at the high school.

As the chatter rang high about the summer's activities, sixty-seven juniors walked down their third block of "Grant Avenue" once again to enter the doors of P.H.H.S. Larry Beaty, presi-

dent; Barb Nance, vice-president; and Susan Hurley, secretary-treasurer were elected to lead the juniors through their junior year. The juniors' sponsors were Mrs. Satorius, Miss Holloway, Mr. Beveroth, and Mr. Landis. The chief events of the junior year were the Junior Play, "Our Hearts Were Young and Gay" under the direction of Mr. Beveroth, and the Junior-Senior Prom. This marvelous tribute to the Flower Drum Song was held at the Leland Hotel on May 19.

On September 1, 1961, fifty-seven seniors returned to complete their walk up "Grant Avenue". They chose able leaders to guide them in their final year at P.H.H.S. They were George Meltor president; Dwight Brass, vice-president; Judith Kern, secretary; and Susan Hurley, treasurer. Chosen to serve on the Student Council were Nancy Grosboll, Barb Nance, Larry Beaty, and Thale Tuttle. Hardworking class advisers were Miss Terry, Miss Masters, Mr. Bassana, Mr. Haddick, and Mr. Bagby.

As the year came to an end, "Gliding Through my Memoree" was the main thought in the minds of all the 1962 seniors as they recalled the hundred million miracles of their last year in high school.

Highlights of the senior year were the senior party, senior Sphinx assembly, the senior play "Good-night Ladies", under the direction of Mr. Landis, publication of the "Sphinx", the Junior-Senior prom. class night, baccalaureate, and finally at the end of "Grant Avenue", Graduation Day May 29, 1962.

The Miracle Of Enchantment

On a mild, warm day in September of 1959, sixty-four freshmen crossed the threshold of Petersburg Harris High School. They were respectful, eager, and willing. Their sponsors—Mrs. Rebbe, Mr. Jones, and Mr. Worthington—guided them with tender but firm care. They elected as their officers: Russell Curry, president; Janet Eades, vice-president; Russ Eddings, treasurer; Norma Thompson, secretary; and Gene Dowell, Student Council Representative. After the freshmen reception, these freshmen felt as if they really belonged to the school. They rounded out the first year with an unforgettable party.

Nineteen-sixty brought sixty sophomores to the golden portals of P. H. H. S. Their new sponsors were: Mrs. Peterson, Mr. McKee, and Mr. Garner. Their chosen officers were: Al Davis, president; Russ Eddings, vice-president; Martha Brass, secretary; Lee Milligan, treasurer; Student Council members were Bill Severns and Russell Curry. Their most exciting and rewarding achievement was the Sophomore Stunt, "The Time Machine". Other happy activities were attending the "Ben Hur" movie in Springfield and the Sophomore party.

The Junior year! The Junior year! A Year of Enchantment never to be forgotten! Fifty-seven juniors came back to many activities culminating in the prom. Their leaders were: Russ Eddings, president; Janet Eades, vice-president; Norma Thompson, secretary-treasurer; and Bill Severns, Gene Dowell, and Al Davis, Student Council representatives. Their sponsors were: Mrs. Satorius, Miss Holloway, Mr. Landis, and Mr. Beveroth. The business manager for the many activities was Mrs. Satorius. Miss Holloway supervised the candy machine sales, aided by her diligent workers, Mary Ruth Eckhoff and Laura Power. Their junior play, "You Can't Take it With You", was directed by Mr. Beveroth. All these activities led toward and climaxed in the marvelous and unforgettable Junior-Senior prom.

The Miracle Of Imagination

One year ago seventy-seven green freshmen began their high school careers. They elected as their class officers: President, David Barbee; Vice-president, Gene Horn; Secretary, Judy Balster; Treasurer, Judy Gronewald; and Student Council Representative, Dennis Wethington. The class sponsors—Mrs. Rebbe, Mr. Worthington, and Mr. Jones helped make their year a success. Initiation and the class party were regarded as highlights of the year.

This year eighty students returned as the Sophomore Class. With the assistance of their sponsors, Mrs. Peterson, Miss Polson, Mr. Garner, the following class officers were elected: President, Dennis Wethington; Vice-president, Larry Smith; Secretary, Rod Boeker; Treasurer, Judy Gronewald; and Student Council Representatives, Sharon Gardner and Holly Knuppel.

The Sophomore year was one of creativity and imagination. The traditional Sophomore Stunt, directed by Mrs. Peterson, was given on February 13. The stunt was in three parts: a play, "Brigadoon", a musical selection and two poems. On March 5, Mrs. Peterson took the class to Springfield to see the film, "Ivanhoe". The year was completed with the Sophomore Party.

Finally, the Sophomores have enjoyed two Miracles — the Miracle of Initiation and the Miracle of Imagination.

The Miracle Of Initiation

On August 31, 1961, the largest class in the history of P.H.H.S. walked through the doors to begin the first of four years of high school. Mr. Worthington, Mrs. Showalter, and Mr. Jones were the busy, efficient sponsors of the one-hundred five freshmen.

On September 15, the class took their first steps and elected as their officers: Pete Liggett, president; Connie Grosboll, vice-president; Mary Lynn, secretary; Ardith Whalen, treasurer; and Ken Zuhlke, Student Council representative.

The freshmen enjoyed the Miracle of Initiation despite obseance to seniors. The best stunt prize was awarded to Sue Grosboll and friends. The best costume prizes were awarded to Carol Pillsbury and Randy Robbins. After that successful day, they settled down as true students. On January 5, they held a hilarious class party, dominated by the twist.

The freshmen class participated in many extra-curricular activities. Four of the freshmen boys were on the basketball and football teams. Freshmen make up the debate team, and twenty-six freshmen are band members.

Truly the freshmen have enjoyed this year, The Miracle of Initiation.

Varsity Cheerleaders

Five Varsity Cheerleaders for 1961-1962 were chosen May 9, 1961. They were: Judy Shawgo, senior; Donna Edwards, senior; Judy Gronewald, sophomore, Holly Knuppel, sophomore; Judy Balster, sophomore, substitute; Ruth Ann Lounsberry, senior, captain. Three girls were chosen to represent the Junior Varsity: Lois Brauer, Connie Grosboll, and Ardith Whalen.

Mrs. Richard Showalter was the cheerleader sponsor and helped the girls to do their best.

Judy Shawgo and Ruth Ann Lounsberry were chosen to attend the Annual Cheerleaders' Camp at Illinois State Normal University. They left June 25 and returned home Friday the 30th. Mr. Herkimer and his staff of college cheerleaders illustrated and taught them new cheers, dances, motions and chants. Herk, short for Hercules, has the title of "Mr. Cheerleader U.S.A."

Through the football and basketball seasons, the girls decorated a few of the churches where the dances, sponsored by the Women's Club, were held after games.

The cheerleaders assisted the Pep Club to sponsor a candy sale of which a part of the money was used to purchase new Varsity uniforms.

Lettermen's Club

The Lettermen's Club is composed of boys who have achieved success in one or more athletic events. To earn a letter, a boy must participate in his chosen activity, attend practices regularly, follow training rules, and earn the stipulated number of points. The requirement differs for different events.

Miracle of Relaxation

This year students enjoyed a happy type of noon-hour recreation consisting of dancing and volleyball tournament. All activities were supervised by Mrs. Showalter and Mr. Garner.

Music for dancing was provided on Mondays, Wednesdays, and Fridays. Anyone wishing to dance, both high school and junior high students, could do so. Probably the dance most frequently done was the "Twist".

A class volleyball tournament was played on Tuesday and Thursdays. The tournament consisted of eight teams playing round robin style. The winners were one of the Senior teams. Those on the team were: Judith Kern, SuEllen Brauer, Barbara Nance, Susan Hurley, Micheula Fulton and Donna Moss.

This fine program was concluded with the coming of spring and pleasant weather.

ACTIVITIES

YEAR OF THE TURNABOUT

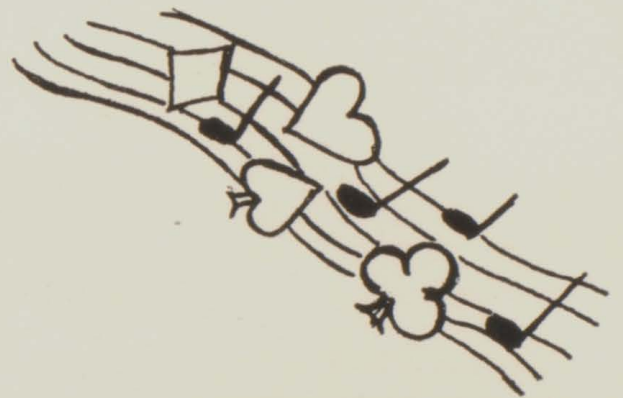

"Miracle Of Magnificence"

"See you at Club Turnabout!" was a cry heard often in the weeks preceding February 10th, the date of the annual Pep Club Dance. Committees under the direction of the Executive Council worked hard to turn the bandroom into a nightclub of bright pink, black, and white and to prepare punch and cookies in the shapes of hearts, diamonds, clubs, and spades.

Thales Tuttle and Diane McGary reigned as King and Queen over Club Turnabout, assisted by their court: Ruth Anne Lounsberry, Nancy Grosboll, Susan Hurley, Nancy Bailey, George Melton, Donnie Matthews, Gary Boske, and Tony Wiseman.

One of the highlights of the evening was a "twist" contest, which was won by Phil Belton and Holly Knuppel. Everyone enjoyed dancing to the music of the Charles Rogers orchestra.

Club Turnabout, which marked the high point of the school's winter social season, was a tremendous success.

Senior Band

Miracle of Syncopation

The Petersburg Harris High School Band in 1962 consisted of sixty-three members. There were eleven seniors, eleven juniors, fifteen sophomores, and twenty-six freshmen.

The Marching Band, composed of fifty-five members, added color and enjoyment to the half-time entertainment at home football games. The band also marched in the Hallowe'en Parade. The members practiced earnestly on the city streets during the day and on the football field at night.

The Pep Band played at many pep assemblies and between games at home basketball games.

Eleven ensembles were formed by the band members. Thirteen solos also participated in the district contest at Virginia on February 24. On April 14 the Concert Band traveled to Macomb for State Band Contest.

The Concert Band met on Tuesday, Thursday, and Friday; as contest time drew near, they practiced several evenings. The band played at the Spring Concert and graduation exercises.

Early in the year nine senior boys — Thales Tuttle, George Melton, Larry Beaty, Gary Boske, Howard Tuttle, Tom Gum, John Moore, Dwight Brass, and John Rogers — were selected by Mrs. Satorius to sell year

book advertisements. These boys contacted the local business men and business agencies and sold them ads which entitled each purchaser to an advertisement in the year book and a 1962 "Sphinx" for the establishment.

The boys worked diligently on their free periods and gained valuable experience in salesmanship and social contact. They sold eighty-seven advertisements, surpassing the record set by last year's senior salesmen.

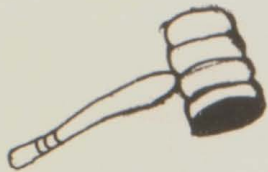

Most Appreciated Project

During December, the Student Council performed a community service by participating in a Clothing Drive sponsored by Save the Children Federation. The Council collected several bundles of good used clothing to be sent to needy children and adults in the United States and in free countries overseas. For this service, they received a Certificate of Appreciation from the Save the Children Federation.

STUDENT COUNCIL CLOTHING DRIVE—Back Row: Gene Dowell, Al Davis, Larry Beaty, Bill Severns, Butch Tuttle. Front Row: Sharon Gardner, Judy Shawgo, Barb Nance, Ken Zuhlke, Holly Knuppel.

Miracle of Representation

An organization most nearly representative of the student body of Petersburg Harris High School is the Student Council. Members are elected from each of the classes. This year the freshmen chose Kenneth Zuhlke; the sophomores chose Sharon Gardner and Holly Knuppel; the juniors — Bill Severns, Al Davis, and Gene Dowell, the seniors — Larry Beaty, Thales Tuttle, Judy Shawgo, Barbara Nance, and Nancy Grosboll.

The following officers were elected at the organization meeting: President, Larry Beaty; Vice-President, Thales Tuttle; Secretary, Barb Nance; Treasurer, Gene Dowell. Council members worked together under the leadership of their able faculty advisor, Miss Terry, to perform many interesting and important services for the school.

The Council's first assignment was preparing and conducting Freshman Day on October 12. This task was unusually large with 105 freshmen to welcome. The freshmen, dressed hilariously in sloppy clothes and green hats, were feted all day until after they had performed skits and paraded in front of the student body.

Preceding Christmas, the Student Council prepared for the annual Christmas Homecoming Tea. Assisted by other departments in the school, they prepared a program and conducted the activities for that successful day.

Throughout the year, the Council arranged and sold tickets for special programs and assemblies and assisted in performing other services for the school. On March 14, they sponsored a St. Pat's Day social hour at which they sold refreshments.

One of the most active organizations in the school, the Student Council has striven to uphold the school morale and promote wholesome student-faculty relations.

Miracle Of Internationalism

The Key Club, which is sponsored by Kiwanis, is an international organization composed of boys who want to develop initiative and leadership, to provide experience in living and working together, to serve school, church, and community, and to prepare for useful citizenship. The Key Clubbers elected and officially installed the following officers to lead them during the year: president, Larry Beaty; vice-president, Gary Boske; secretary, Russ Curry; and treasurer, Al Davis. The faculty adviser is Mr. Roland Long.

The promotion of the Golden Rule - righteousness, justice, patriotism, and good will - is also a part of Key Clubbing. The club is constantly looking for new members who show these qualities. Four new members were brought into the club this year. They are: Don Brauer, Steve Finney, Rod Boeker, and Gene Horn.

This second year for the Key Club at P.H.H.S. has been highlighted by many fund raising and service projects. These projects and activities include: Operating the football refreshment stand, holding a slave auction, collecting funds for the March of Dimes, cleaning the football field, sanding desktops, and buying foodbaskets for needy families at Christmas.

Other activities were: a Key Club party, a faculty ballgame, a Kiwanis Club ballgame. The Petersburg Club also took an active part in the planning of the Illinois-Eastern Iowa District Convention, held at the St. Nicholas Hotel in Springfield. The members served on the sergeant-of-arms committee at the convention.

The year has been an enjoyable one for the Key Clubbers. Through the experience of Key Clubbing, they have developed a closer understanding with the sponsoring Kiwanis Club and with the community.

Future Teachers of America

A national organization at P.H.H.S. of which we are very proud is the Future Teachers of America. The purpose of the organization is to acquaint interested high school students with the various teaching fields.

Chosen officers for the year were: President, Susan Hurley; Vice-President, Judith Kern; Secretary, SuSllen Brauer; Treasurer, Judy Gronewold; Historian, Nancy Grosboll; Parlimentarian, Christine Martin.

The F.T.A. had two special speakers during the year. On November 6, Delores Barreto, a home economics teacher from Uruguay, spoke to the chapter as well as to the guests, the Tallula F. T. A. The other speaker was Miss Pauline Meyers, County Superintendent of Schools, who spoke about the various teaching fields.

The members of the F. T. A. participated in three important activities during the year. Christine Martin and Judith Kern handed out programs at the South Central Institute at Springfield on October 20. On October 21, Judy Gronewold, Bonnie Barbee, Barb Nance, Judith Kern, and Miss Terry attended the F. F. A. workshop in Rushville. The final event was serving coffee at the Spring Institute on March 9. Those serving were: Susan Hurley, Nancy Grosboll, Christine Martin, and Judith Kern.

All activities of the F. T. A. were supervised by Miss Terry, faculty sponsor.

Miracle Of Domesticity Future Homemakers Of America

FLOWER — The Red Rose

MOTTO — "Toward New Horizons"

COLORS — Red and White

The Petersburg Future Homemakers of America has a membership of sixty-five girls, each having the minimum requirement of one year of high school home economics. At the first regular meeting of the year the girls met in the library of Petersburg Harris High with their able leader, Miss Marguerite Holloway, to organize the chapter. The officers elected were: president, Nancy Bailey; vice-president, Shirley Dawson; secretary, Nancy Eilks; treasurer, Gloria Page; second vice-president, Diane Woodard; recreation chairmen, Ellen Brass, Bettie Jones, and Rose Grossbaier; reporter, Mary Ann Bailey; and Chapter Mother, Mrs. Loren Bailey.

The girls enjoyed several activities throughout the year. Shirley Dawson had the honor of attending F.H.A. Leadership Camp in July at East Bay on Lake Bloomington. The chapter enjoyed a picnic supper at New Salem State Park on September 18, 1961. All senior girls who had taken home economics for at least one year took the Betty Crocker Test. Gloria Pringle received the highest score on the test and won the "Homemaker of Tomorrow" award. The closing event was the annual Mother-Daughter Tea in May.

Money-making projects for the year were: selling fruit cakes during the Christmas holidays and "Favorite Recipes of Home Economics Teachers of America Cookbooks, Meats Edition" in February. Our leader, Miss Holloway, had a recipe printed in the book.

The Petersburg Chapter of the Future Farmers of America consisted of thirty-four hardworking members. The elected officers to carry them through the year were: president, Bill Severns; vice-president, Larry Beaty; secretary, Gary Boske; treasurer, Rod Minor; reporter, Mike Arnold; sentinel, Russ Eddings. All can be found, and in less time

Miracle of Articulation

A relatively new organization this year is the Speech Club, commonly called Wig'n Paint, under the direction of Mr. Beveroth and Mr. Landis. The purpose of the club is to promote interest in speech arts. Officers for the year were: President - Su Ellen Brauer, Vice President - Janet Eades, Secretary-Treasurer - Jane Marcussen, Reporter - Jerry Smith.

To start off the year, the members attended the play "Howie" presented by the Theater Guild. Next, as a part of the annual Christmas Homecoming Tea, the club presented a short skit, "Noel Nonsense," written by Mr. Beveroth.

This year the school placed seventh in the speech contest, having participation in all events. The contest play placed fourth in the dramatics contest with the presentation of "The Neighbors" by Zona Gale. Plans are being made to present a program in April, consisting of three one act plays.

"Miracle Of Argumentation"

Paul Davis, Mary Greene, Pete Liggett, and Barbara Tibbs, Petersburg High School debaters, placed fourth in the Illinois High School Association Sectional debate contest at Springfield on Saturday, March 10. The four participated in four rounds of debate of one hour each.

Among the comments on the judges' rating sheets were the following:

"Terms, history . . . are clearly presented—good."

In delivery some variety in pace would help emphasize main statements."

"Presentation of plan and re-statement of need contentions are clearly presented—good."

These freshmen debaters have made a fine start in the debating field. As they continue to debate in their future years, they will become top-notch debaters.

Thirteen students attended the District Speech Contest at Lincoln. Susan Hurley placed third and advanced to Sectional Contest; Bonnie Barbee and Holly Knuppel each placed fourth; Barbara Moulton and Janet Neumann each placed fifth. Although these students placed in the lower bracket, the judges commented that this particular District Contest was really college material and, therefore, it was hard to pick the real "winner".

The Business Education Course

The Business Course is one of the most important and practical courses in Petersburg High School. Two years of shorthand, two years of typing, and one year of bookkeeping are offered in our high school.

One of the objectives of the department is to prepare students for courses in Accountancy and Business Education, which they will pursue in college.

Another objective is to prepare students for life in the business world. Throughout the course, emphasis is placed on spelling, grammar, and speed and accuracy in skills.

One of the opportunities for employment afforded to seniors is through the State Civil Service Examinations. Mrs. H. P. Satorius of the high school faculty has been appointed as a state monitor. The test consists of three parts. The first is a two-hour test, evaluating the ability of the student in spelling, grammar, mathematics, and office skills. The second part is a test in various typing skills, including work in rough drafts, letters, and general typing ability. The third part is a test in shorthand, dictation and transcription rates. If the student passes in each department of the examination, he is called by the State Department for an oral interview. Thirty-two seniors participated in the examination this year.

Another opportunity for employment offered to seniors is through the Federal Civil Service Examination. A federal examiner for this district conducted an examination in Petersburg High School for thirty-two seniors.

Miracle of World Friendship

The International Students Society is an organization of students who share a common interest in corresponding with people in other countries. The purpose of having such an organization is to help increase international understanding. To be a member in good standing, all that is required is a desire to write to a friend abroad and attend at least two-thirds of the meetings.

Chosen officers for the year were: President, Bonnie Barbee; Vice-President, Judith Kern; Secretary, Ardith Whalen; Treasurer, Judy Gronewald. The faculty sponsor was Miss Terry.

Meetings were held the second Wednesday of each month. During these meetings, people who had received letters from their pen pals read them to the entire group.

Members write to students in countries all over the world, but the majority write to Europeans.

JUNIOR HIGH

YEAR OF EXPANSION

Junior High History

We, the junior high Sphinx Staff, present herewith a panoramic view of our 1961-62 school year.

On September 1, at 9:00 o'clock, 157 seventh and eighth graders gathered to meet their principal, seven teachers and five part-time teachers. We became acquainted with the class schedule consisting of three seventh grade sections and four eighth grade sections. The block-time plan introduced last year was continued, whereby pupils were assigned to a teacher for more than one period a day for English, reading, spelling, and writing. Each section was assigned to a home room teacher for counseling and guidance. In addition to language arts, our course included first and second French, Illinois civics, world geography, American history, Latin American history, health, physical education, mathematics, science, chorus and band.

Several new features were introduced this year. A school newspaper was edited by the 8-B civics class. Junior Scholastic was used for reports given by pupils in world geography classes. We had new demonstration equipment and a new space chart for the Solar System, in our science classes. The health classes saw excellent films, as did the students in American history. In our library, new books were added, a new card catalogue prepared, and library lessons given to each section. This year, seventh grade as well as the traditional eighth grade group went on the trip on October 6 to Springfield and had an enjoyable day visiting historic places, the Capitol and the State Museum with a picnic lunch at noon.
