MENARD COUNTY, ILLINOIS

INDEX TO PROBATE RECORDS 1839 - 1963

The Probate Records for Menard County, Illinois begin in 1839 when the county was formed from Sangamon County. The first Menard County courthouse was erected in 1843, previously county court had been held at the store of Grinsley and Levering. The second and present courthouse (pictured on the cover) was built in 1897 at a cost of \$50,000.

The Index To Probate Records 1839 - 1963 were transcribed from the Probate Court General Index at the Menard County Courthouse with the permission of Dave Hitchcock, Circuit Clerk.

The courthouse pictured on the front cover of this book, was drawn by local artist Janice Hoerbert Albert.

My thanks to Betty Jordan Gronewald for her help in transcribing these records. Thank you also for your continued support.
